## Chanukah Happenings

Wow, what an amazing week of Chanukah! The excitement ran high, as did the sugar and oil intake, while the Bennetts celebrated this year's Festival of Lights.

Garbed in gorgeous new threads (thank you Nana), Esti

and Sara show off their prized new possession—an interactive

kitchen center—thanks to the generosity of

Grandma, Papa, Nana and Papa B. And it only took Daddy 45 minutes to assemble, go Daddy!

Of course, there was no shortage of dreidel and menorah decorations adorning the apartment, not to mention latkes, doughnuts and other treats.
