BEST OF BENNETT

VOLUME 1, ISSUE 2

MARCH 8, 2007

A Freilichin' Purim

Costumes... brownie and carrot candy...and crazy fun— such as this year's Purim festivities at the Bennett house!

Dressing up as a bunny rabbit and a duck, Esti and Sara were thrilled with their animal suits and happily wore them the entire day.

After delivering our butterscotch

salad shaloch manos, we returned home to welcome visitors and enjoy this musical ses-

sion, pictured above, with Abba on drums,

Esti on the tamberine and Sara on the morocco!

Although we ended up with loads of wafers, toffees, and other junky snacks, somehow we did manage to somewhat regulate the girlies' sugar intake :)

And now it's already time to start cleaning for Pesach! Wish us luck :)

All Dressed Up!
